**February 20-24 9-3pm**

**2011 Winter School Break Adventure- The Winter that Wasn't**

Full day sword and story adventures for young heroes during the February school vacation. King's Watch is experiencing an unusual heat wave...in the middle of winter! No one seems to be concerned with the fact that they don't have to bundle up this winter, but Elder Bat has called the Heroes of Sidleterra forth to investigate. Who could be heating up the world of King's Watch? How are they doing it? And should they even be stopped? Rumors abound that there may be a Phoenix loose in the lands...could this be true?! Come investigate a mystery and bring your friends and your foam swords – because something is up to mischief and we need YOU to set things right in this week-long full day adventure. For ages 5 and up.

Event runs from 9am-3pm.

Extended Day option available from 8am-6pm.

Pre-registration required.

**Special: Sign up for both Winter and Spring Break Adventures and get special pricing on Summer Camp!**

**Your adventure awaits you...**

**February 3 7-9pm**

**Sword Night - Sword-Ball Super Bowl**

It's the playoff season for sword fighting! It's the newest game to have been invented in the last few seconds. Join us for a friendly competition where you can swordfight as you try to score points. This game is for those who love sports and for those who have never played a game themselves. The game may change but the fun won't. Bring your friends and your foam swords (or use ours). For ages 6 and up.

**February 10 7-9pm**

**Adventure Night - The Elemental Stone**

The heroes have discovered the secret of the Beast of Winter's Touch. But the person responsible has escaped, and they may still have the Elemental Stone. The heroes must track down the person who is responsible and bring them to justice! Everywhere the Stone travels weather patterns change. Nature itself will be challenging the brave heroes tracking down this villain. Will you be a part of the legend of saving Sidleterra from the world's first renegade meteorologist? Come join us and save the world! Bring your friends and your foam sword (or use ours) to this winter adventure. For ages 6 and up.

**February 17 7-9pm**

**NERF Night - Blaster Ball!**

Why should the swords get all the fun? Imagine this: What would a sports competition look like if all the participants were given blasters? Help us find out. Dodge, duck, and dart as you accomplish your goals and take down your rivals. Who will come out on top and who will be left empty-handed. Join us for some friendly NERF blasting. Bring your blasters (or use ours) and your friends! For ages 8 and up.

**February 17 7-9pm**

**D&D Night - Dragon Slayers!**

The heroes have been recruited on a massive dragon hunt. Evil dragons have been working together despite their normal selfish ways. Every hero in the countryside has been called to help fight off these ferocious beasts. Teams will be made to fight off these threats. Black, blue, green, red, and white dragons. Which will you choose to fight? Who will survive? And why are they attacking in the first place?! Come join us for a night of dice rolling and dragon slaying. Bring your dice and your friends to this adventure. For ages 8 and up.
